Mr. Christopher G. Janus  
Board of Trade Building  
141 W. Jackson Boulevard  
Chicago 4, Ill.

Dear Mr. Janus:

Thank you very much for your letter of 24 November, enclosing a copy of the pamphlet, "The Secrets of Hitler's Personal Life." I think the idea of organizing the FIGHT DICTATORS FUND is a very excellent one, and I am sure you will agree, dictators must be fought with ideas as well as with money. Your plan to help some displaced persons is a very good way of getting our ideas across to the people living in dictator-dominated countries.

I shall pass on the information about the FIGHT DICTATORS FUND to the appropriate people, and you may be sure that your organization is not contrary to the policy of the Central Intelligence Agency but actually may be of considerable help.

Thank you again for your thoughtfulness and with best personal regards, believe me,

Sincerely,
